

FORM 18

LABOUR AND MATERIAL PAYMENT BOND

(Construction Remedies Act, S.N.B. 2020, c.29, s.83(4)(a) and s.84(3)(a))

No. _____ (the "Bond") Bond Amount \$ _____

(name of the contractor*)

as a principal, hereinafter [collectively] called the "Contractor", and

(name of the surety company**)

a corporation created and existing under the laws of _____
(place of incorporation)

as a surety, and duly licensed under the Insurance Act to transact guarantee insurance or surety insurance and hereinafter called the "Surety" are held and firmly bound unto _____ as obligee,
(name of the owner***)

hereinafter called the "Owner", in the amount of \$ _____ hereinafter called the "Bond Amount",
(Bond Amount in figures)

for the payment of which sum the Contractor and the Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns, in accordance with the provisions of this Bond (the "Obligation").

WHEREAS the Contractor has entered into a written contract with the Owner dated the _____ day of _____
(month)

in the year _____ for _____
(title or description of the contract)

and, for the purpose of specifying the conditions of the Obligation, this contract together with amendments made in accordance with its terms are by reference made part hereof and are hereinafter referred to collectively as the "Contract";

NOW THEREFORE the condition of this Obligation is such that if the Contractor shall make payment to all Claimants as hereinafter defined in accordance with the terms of their respective subcontracts or sub-subcontracts for all services (including labour) and materials used or reasonably required for use in the performance of the Contract then this Obligation shall be null and void, otherwise it shall remain in full force and effect subject to the following conditions:

- 1. Every corporate or natural person who either has a direct contract with the Contractor (hereinafter called a "Subcontractor") or who has a direct contract with a Subcontractor under the Contractor (hereinafter called a "Sub-subcontractor") for services (including labour), materials or both used or reasonably required for use in the performance of the Contract is a "Claimant" under this Bond. The terms "services (including labour)" and "materials" include that part of water, gas, power, light, heat, oil, gasoline, telephone or digital service or rental equipment directly applicable to the Contract provided that a Claimant who rents equipment to the Contractor or a Subcontractor to be used in the performance of the Contract under a contract which provides that all or any part of the rent is to be applied towards the purchase price thereof shall only be a Claimant to the extent of the prevailing industrial rental value of such equipment for the period during which the equipment was used in the

performance of the Contract. The prevailing industrial rental value of equipment shall be determined, insofar as it is practical to do so, by the prevailing rates in the equipment marketplace in which the work is taking place.

2. The liability of the Surety and the Principal to make payment to any Sub-subcontractor is limited to such amounts as the Sub-subcontractor would be able to recover from the Owner (if the Owner was not the Crown) under the holdback provisions of the *Construction Remedies Act* (the “**Act**”), subject to any limitations and set-offs that would be applicable under the Act, as if the amount claimed under this Bond was for a lien under the Act. For clarity, to be a Claimant under this Bond, a Sub-subcontractor need not be a lienholder or to have taken any steps to prevent any lien it may have from being extinguished under the Act.
3. The Owner is not obligated to do or take any action or proceeding against the Surety on behalf of the Claimant to enforce the bond.
4. Every Claimant who has not been paid for services (including labour), materials or both used or reasonably required for use in the performance of the Contract, after the date on which payment was due and payable under the terms of its subcontract or sub-subcontract may demand payment under this Bond by giving the Surety, with a copy to the Contractor and the Owner, a written Notice of Claim, substantially in the form prescribed in Schedule A for a Subcontractor or Schedule B for a Sub-subcontractor, hereinafter called the “**Notice of Claim**”.
5. Where the Surety includes two or more companies a Notice of Claim may be given to the first listed Surety on behalf of all Sureties. The first listed Surety is hereby authorized to respond to a Notice of Claim on behalf of the Surety, and a Claimant is not required to make separate Notices of Claim to each Surety and is entitled to correspond with the first listed Surety on behalf of all Sureties.
6. It is a condition precedent to the liability of the Surety under this Bond that a Claimant shall have given a Notice of Claim
 - a) in respect of any amount required to be held back from the Claimant by the Contractor, or by a Subcontractor, under either the terms of the Claimant’s contract with the Contractor or Subcontractor or under the *Act*, whichever is the greater, hereinafter and for the purposes of this Bond called the “**Holdback**”, within one hundred and twenty (120) calendar days after the Claimant should have been paid in full under its contract with the Contractor or with a Subcontractor; and
 - b) in respect of any amount other than a Holdback within one hundred and twenty (120) calendar days after the date on which the Claimant last supplied services (including labour) or materials for which the Notice of Claim was given.
7. For each Notice of Claim given by a Subcontractor:
 - a) No later than three (3) business days after receipt by the Surety of a Notice of Claim, the Surety shall acknowledge receipt of the Notice of Claim, substantially in the form prescribed at Schedule C, and request from the Claimant any information and documentation the Surety requires to determine the Claimant’s entitlement under this Bond (hereinafter called the “**Information**”); and
 - b) No later than ten (10) business days after receipt by the Surety of the Information, or twenty-five (25) business days after receipt by the Surety of a Notice of Claim, whichever is earlier, or within such longer time as is agreed by the Surety and the Subcontractor, the Surety shall provide a position in response to the Notice of Claim, substantially in the form prescribed at Schedule D, hereinafter called the “**Surety’s Position**”.

8. For each Notice of Claim given by a Sub-subcontractor:
 - a) No later than three (3) business days after receipt by the Surety of a Notice of Claim, the Surety shall acknowledge receipt of the Notice of Claim, substantially in the form prescribed at Schedule C, and request from the Claimant any information and documentation the Surety requires to determine the Claimant's entitlement under this Bond (hereinafter called the "**Information**"); and
 - b) No later than fifteen (15) business days after receipt by the Surety of the Information, or thirty-five (35) business days after receipt by the Surety of a Notice of Claim, whichever is earlier, or within such longer time as is agreed by the Surety and the Sub-subcontractor, the Surety shall provide a position in response to the Notice of Claim, substantially in the form prescribed at Schedule D, hereinafter called the "**Surety's Position**".
9. No later than ten (10) business days after the Surety's Position being provided to any Claimant the Surety shall pay such amounts included in the Notice of Claim that are undisputed by the Surety, except to the extent that the Surety makes an application to the Court with respect to such amounts in accordance with Section 11 below. This payment of undisputed amounts shall be without prejudice to the Surety's position regarding any disputed portions of a Notice of Claim.
10. Despite anything in this Bond, the Surety shall not in any circumstances be liable for a greater sum than the Bond Amount.
11. The Bond Amount shall be reduced by and to the extent of any payment or payments made under this Bond. If the aggregate of all Notices of Claim exceed, or the aggregate of amounts for which Notices of Claim might be given are believed by the Surety to exceed, the Bond Amount then the Surety may apply to the Court of Queen's Bench of New Brunswick for direction in the interest of all Claimants.
12. Upon payment to a Claimant under this Bond in respect of any indebtedness of the Contractor or Subcontractor to the Claimant, the Surety shall be subrogated to all of the rights of the Claimant in respect of any and all claims, causes of action and rights to recovery which the Claimant may have against any person, firm or corporation because of or in connection with or arising out of such indebtedness, and the Claimant undertakes to extend to the Surety or the Surety's designee any warranties and/or guarantees under the Contract in respect of all services (including labour) and materials for which the Claimant has been paid.
13. As a condition precedent, any action under this Bond must be commenced within one (1) year after the date on which the Contractor last performed work on the Contract, including work performed under any warranty or guarantees provided in the Contract.
14. The parties to this Bond and a Claimant by providing a Notice of Claim agree that any action is to be brought in the Court of Queen's Bench of New Brunswick and agree to submit to the jurisdiction of that court notwithstanding any terms to the contrary in the Contract.
15. The rights and obligations of the Owner, the Contractor, and the Surety under this Bond are in addition to their respective rights and obligations at common law and in equity.
16. This Bond shall be governed by the laws of the Province of New Brunswick.
17. All notices ("**Notices**") under this Bond shall be delivered by registered mail, facsimile, or electronic mail at the addresses set out below, subject to any change of address in accordance with this Section. Any Notice given by facsimile or electronic mail shall be deemed to have been received on the next business day or, if later, on the date actually received if the person to whom the Notice was given establishes that the person did not, acting in good faith, receive the Notice until that later date. Any Notice given by registered mail shall be deemed to have been received three (3) days after the date on which it was mailed, exclusive of Saturdays and

holidays or, if later, on the date actually received if the person to whom the Notice was mailed establishes that the person did not, acting in good faith, receive the Notice until that later date. The address for the Surety is publicly available on the Financial and Consumer Services Commission of New Brunswick website. The address for the Owner or the Contractor may be changed by giving Notice to the other parties setting out the new address in accordance with this Section.
