Advisory committees
15.1(1) There shall be an advisory committee for each hospital facility that is owned in whole or in part by a religious order and that is operated by a regional health authority.

15.1(2) The members of an advisory committee referred to in subsection (1) shall be appointed by and report to the religious order that owns the hospital facility in whole or in part.

15.1(3) The purpose of an advisory committee is to ensure the preservation of the religious philosophy, values and mission associated with the hospital facility.

15.1(4) An advisory committee may

(a) prescribe for the hospital facility a statement respecting the philosophy, values and mission to be associated with the delivery of hospital services at the hospital facility,

(b) determine the mission programs and services essential to fulfill the mission set out in the statement prescribed under paragraph (a),

(c) monitor compliance with the statement prescribed under paragraph (a) and the mission programs and services determined under paragraph (b), and

(d) do such additional things as are prescribed by regulation.

15.1(5) The philosophy, values and mission set out in a statement prescribed under subsection (4) and the mission programs and services determined under subsection (4) shall not conflict with the parameters established and the directions issued by the Minister in relation to the planning, organization, management and delivery of hospital services by regional health authorities.
15.1(6) The Minister shall not, in relation to a hospital facility for which there is an advisory committee, approve the delivery of hospital services that conflict with the philosophy, values and mission set out in a statement prescribed under subsection (4).

1993, c.63, s.1; 2002, c.1, s.9

Restrictions in relation to hospital facilities and real property used for hospital purposes

16(1) Notwithstanding any other Act of the Legislature, or any articles of incorporation or letters patent, no person other than a regional health authority shall establish, operate or maintain a hospital facility in the Province.

16(2) A regional health authority shall not establish, operate or maintain a hospital facility without the prior written approval of the Minister.

16(3) A regional health authority shall not use a building or other premises or place as a hospital facility without the prior written approval of the Minister.

Hospital facilities no longer used as hospital facilities

30(1) If an existing hospital facility ceases to be used as a hospital facility and is replaced by a hospital facility owned by the Province, effective on the date the existing hospital facility ceases to be used as a hospital facility

(a) all property, except property referred to in paragraph (b), and all debts and liabilities associated with the existing hospital facility are, without further action, transferred to and vested in the regional health authority that will be responsible for the operation and maintenance of the hospital facility owned by the Province, and

(b) the existing hospital facility, including all land, buildings, building service equipment, staff residences and other facilities associated with the existing hospital facility, are, without further action, transferred to and vested in the Minister of Transportation and Infrastructure as a representative of the Crown in right of the Province.

30(2) If an existing hospital facility owned by the Province ceases to be used as a hospital facility and is not replaced by another hospital facility, effective on the date the existing hospital facility ceases to be used as a hospital facility

(a) all property, except property referred to in paragraph (b), and all debts and liabilities associated with the existing hospital facility are, without further action, transferred to and vested in the Minister as a representative of the Crown in right of the Province, and

(b) the existing hospital facility, including all land, buildings, building service equipment, staff residences and other facilities associated with the existing hospital facility, are, without further action, transferred to and vested in the Minister of Transportation and Infrastructure as a representative of the Crown in right of the Province.

30(3) If an existing hospital facility not owned by the Province ceases to be used as a hospital facility and is not replaced by another hospital facility, effective on the date the existing hospital facility ceases to be used as a hospital facility

Établissements hospitaliers non utilisés comme tels

30(1) Si un établissement hospitalier existant cesse d’être utilisé comme établissement hospitalier et qu’il est remplacé par un établissement hospitalier appartenant à la province, à compter de la date où l’établissement hospitalier existant cesse d’être utilisé comme établissement hospitalier

a) tous les biens, à l’exception de ceux mentionnés à l’alinéa b), et toutes les dettes et obligations liées à l’établissement hospitalier existant sont, sans autres formalités, transférés et dévolus à la région régionale de la santé qui sera responsable de l’exploitation et du maintien de l’établissement hospitalier appartenant à la province, et

b) l’établissement hospitalier existant, y compris, tous terrains, tous bâtiments, toute installation matérielle des bâtiments, toutes résidences du personnel et tous autres établissements connexes à l’établissement hospitalier existant, sont, sans autres formalités, transférés et dévolus au ministre des Transports et de l’Infrastructure en sa qualité de représentant de la Couronne du chef de la province.

30(2) Si un établissement hospitalier existant appartenant à la province cesse d’être utilisé comme établissement hospitalier et qu’il n’est pas remplacé par un autre établissement hospitalier, à compter de la date où l’établissement hospitalier cesse d’être utilisé comme établissement hospitalier

a) tous les biens, à l’exception de ceux mentionnés à l’alinéa b), et toutes les dettes et obligations liées à l’établissement hospitalier existant sont, sans autres formalités, transférés et dévolus au Ministre à titre de représentant de la Couronne du chef de la province, et

b) l’établissement hospitalier existant, y compris tous terrains, tous bâtiments, toute installation matérielle des bâtiments, toutes résidences du personnel et tous autres établissements connexes à l’établissement hospitalier existant, sont, sans autres formalités, transférés et dévolus au ministre des Transports et de l’Infrastructure en sa qualité de représentant de la Couronne du chef de la province.

30(3) Si un établissement hospitalier existant qui n’appartient pas à la province cesse d’être utilisé comme établissement hospitalier et qu’il n’est pas remplacé par un autre établissement hospitalier, à compter de la date où
(a) all property supplied in relation to the existing hospital facility by the Province is, without further action, transferred to and vested in the Minister as a representative of the Crown in right of the Province, and the Minister has the right to remove the property, and

(b) the Minister of Transportation and Infrastructure as a representative of the Crown in right of the Province has the right of first refusal to purchase the existing hospital facility, including all land, buildings, building service equipment, staff residences and other facilities associated with the existing hospital facility.

30(4) For the purposes of this section, the date on which a hospital facility ceases to be used as a hospital facility is the date determined by the Lieutenant-Governor in Council.

30(5) Paragraphs (1)(b), (2)(b) and (3)(b) do not apply unless the order-in-council determining the date the existing hospital facility ceases to be used as a hospital facility states that they apply.

30(6) An order-in-council issued under this section is not a regulation within the meaning of the Regulations Act.

2002, c.1, s.9; 2010, c.31, s.74

Prohibition in relation to actions, applications and other proceedings

31(1) Subject to section 32, no action, application or other proceeding lies or shall be instituted against the Minister or the Crown in right of the Province in respect of the transfer and vesting of rights, powers, privileges, franchises, entitlements, debts, obligations, liabilities, duties, responsibilities, property or interests in property by this Act or the regulations.

31(2) Without restricting the generality of subsection (1), no action, application or other proceeding for dismissal, whether express, implied or constructive, lies or shall be instituted against the Minister or the Crown in right of the Province in respect of any transfer or vesting of rights, powers, privileges, franchises, entitlements, l’établissement hospitalier existant cesse d’être utilisé comme établissement hospitalier

a) tous les biens que la province a fourni relativement à l’établissement hospitalier existant sont, sans autres formalités, transférés et dévolus au Ministre à titre de représentant de la Couronne du chef de la province, et le Ministre a le droit de déplacer les biens, et

b) le ministre des Transports et de l’Infrastructure en sa qualité de représentant de la Couronne du chef de la province, bénéficie d’un droit de préemption sur l’achat de l’établissement hospitalier existant, y compris tous les terrains, tous les bâtiments, toute installation matérielle des bâtiments, toutes résidences du personnel et tous autres établissements connexes à l’établissement hospitalier existant.

31(3) Subsection (1) does not apply to an action, application or other proceeding in respect of the transfer or vesting of rights, powers, privileges, franchises, entitlements, debts, obligations, liabilities, duties, responsibilities, property or interests in property in respect of the new hospital facility.

31(4) For the purposes of this section, the date on which the hospital facility ceases to be used as a hospital facility is the date determined by the Lieutenant-Governor in Council.

31(5) Paragraphs (1)(b), (2)(b) and (3)(b) do not apply unless the order-in-council determining the date the hospital facility ceases to be used as a hospital facility states that they apply.

31(6) An order-in-council issued under this section is not a regulation within the meaning of the Regulations Act.

2002, ch. 1, art. 9; 2010, ch. 31, art. 74

Interdiction relativement aux actions, demandes et autres procédures

31(1) Sous réserve de l’article 32, nulle action, demande ou autre procédure n’existe ni ne peut être engagée contre le Ministre ou la Couronne du chef de la province à l’égard du transfert et de la dévolution des droits, pouvoirs, privilèges, franchises, titres, dettes, obligations, engagements, fonctions, responsabilités, biens ou droits dans les biens par la présente loi ou les règlements.

31(2) Sans restreindre la portée du paragraphe (1), nulle action, demande ou autre procédure pour révocation, soit expresse, implicite ou par interprétation, n’existe ou ne peut être engagée contre le Ministre ou la Couronne du chef de la province à l’égard du transfert ou de la dévolution des droits, pouvoirs, privilèges, concessions, titres, dettes, obligations, engagements, fonc-
debts, obligations, liabilities, duties or responsibilities by this Act or the regulations.

31(3) Nothing in subsections (1) and (2) affects any right or remedy an employee has under a collective agreement, an Act of the Legislature, regulations under an Act of the Legislature, or the common law.

32(1) This Act and the regulations supersede the Expropriation Act.

32(2) The Minister, in relation to property transferred to and vested in a body corporate, the Minister or the Minister of Transportation and Infrastructure by this Act or the regulations, may provide compensation that, in the opinion of the Minister, fairly reflects, subject to subsection (3), the value of an owner’s interest in or contribution to the property.

32(3) In determining the compensation to be provided under this section, the value of contributions by the Province to the property shall be set off against a claim for compensation.

32(4) A person who claims to be entitled to compensation under this section shall deliver to the Minister a written claim setting out full particulars of the claim and of the person’s right and title to compensation.

32(5) If the Minister does not agree with the compensation claimed under subsection (4), the Minister shall offer in writing the amount the Minister considers to fairly reflect, subject to subsection (3), the value of the person’s interest in or contribution to the property and at the same time give notice to the person that, if the amount of the offer is not accepted, the matter will be submitted to arbitration.

32(6) If an offer of the Minister under subsection (5) is not accepted within the period of time fixed by the Minister in the written offer, or within such further time as is agreed to by the Minister and the person claiming compensation, the Minister or the person claiming compensation may submit the matter of compensation to arbitration.

32(7) If the Minister or the person claiming compensation submits the matter of compensation to arbitration, the Minister and the person shall be deemed to have en-
entered into a written arbitration agreement and the Arbitration Act applies.
2010, c.31, s.74

Offences and penalties

33(1) A person who violates or fails to comply with any provision of the regulations commits an offence.

33(2) A person who violates or fails to comply with a provision of this Act that is listed in Column I of Schedule A commits an offence.
